

COIL CLEANER SELECTION GUIDE

REAL CHEMISTRY, REAL SOLUTIONS | AMERICAN MADE

	CONDENSER ALKALINE		MICRO-CHANNEL MINI-SPLIT
	CONDENSER ACID		EVAPORATOR DETERGENTS

The Heavy Hitters

Outdoor Condensers
**requires rinsing*

Maximum Foam & Degreasing

THE KING OF COIL CLEANERS

FOAMINATOR

#1 most powerful condenser cleaner. Unique delayed foaming action penetrates deep before expanding into the heaviest foam on the market to push debris outward. Use for the absolute deepest clean in the industry

THE NEW GO TO

BLUE 41

The Modern Standard Delivers instant, high-density foam with superior brightening power. The smart upgrade for Plus PL-1 users: better results, newer technology.

THE PROBLEM SOLVERS

FOAMTASTIC

Cottonwood King, Heavy foam. High grease solvency and brightening properties.

HIGH TECH ALKA

Reliable cleaning power that beats the cheap stuff every time.

Metal Safe Cleaners

Micro-Channel & Mini-Split Safe!

Safe on Sensitive Equipment

THE UNIVERSAL HERO

MONGOOSE

Universal hero for sensitive coils. Highly concentrated, NSF K4 Food-Safe, and safe on metals, plastics and rooftops. Strong enough for the dirt and grime, safe on coils. Obliterate grease and grime without the risk.

THE EPA SAFETY NET

ECO CLEAN

EPA DFE Compliant & Neutral pH. Versatility: The ultimate "Do-It-All" green cleaner that actually works. Safe on rubber roofs, tile, wood, and sensitive metals. If you are worried about the surroundings, use this.

THE OLD RELIABLE

POWER CLEAN

When you are up against layers of baked-on grease and industrial contaminants, reach for the legend. It's the deep clean you can rely on every single time.

Self Rinsing Magic

Indoor Evaporators
**no-rinse*

Self Rinsing - Indoor

NEW TECH - THE INNOVATOR

1953 CLEAN & PROTECT

Don't just clean - give your coils a defensive advantage. This 2 in 1 advanced formula cleans and leaves a slick barrier that stops dirt from sticking, keeping efficiency high and making your next service call a breeze.

THE VALUE PICK

HIGH TECH EVAP

Don't let sticky indoor grime ruin your efficiency stats. Targets cooking grease, lint, and nicotine that gums up indoor coils. It offers a powerful, residue-free deep clean that fits any budget.

THE EVAP POWERHOUSE

HP Cleaner

Deliver a concentrated surge of cleaning power that cuts through stubborn buildup on contact, giving you a deep, residue-free clean in a single pass.

NO RINSE AEROSOLS

FCC & FCC PRO

Self-rinse foam. FCC-PRO adds EPA-registered mold and mildew control.

BLOWOUT & KNOCK IT OUT

Safely blast grime with high-pressure, no-rinse solvent power.

HEAVY FOAMING INDUSTRIAL STRENGTH ACIDS
For concrete dust, heavy oxidation, heavy salts

PREMIUM - BRITE ALUM
ECONOMY - HIGH TECH ACID
